

Word Families

In my word family some things are familiar
There's something inside us all
Yeah, it makes spelling easy
In my word family some words are so similar
When you look inside the word
Yeah, we'll find it's plain to see

Take a look at...

When I act in a film

Then I am an actor

And I act in action movies

The reaction is always great

When I play football

I'm a football player

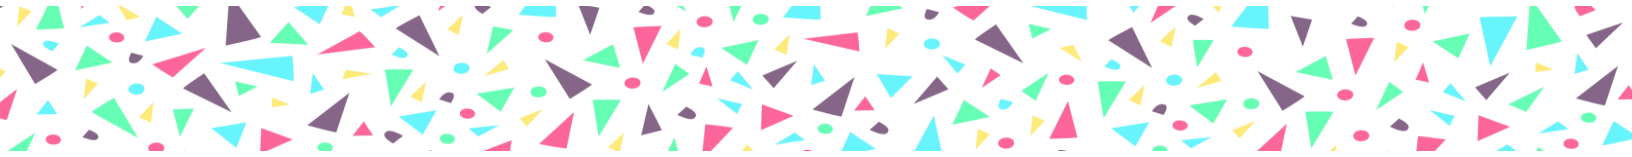

And my skills are on display and when I score there's a replay

When I turn on the light

I become enlightened

In the twilight of the day

I'm delighted that I stayed

**When I solve a problem
I'm a problem solver
The problem is resolved instead of staying unresolved**
